

Internship in Sales at B2B platform

Duration: Up to 6 Months & 5 days per week á 8h

Leroma is a digital Start-Up, located in Düsseldorf. We are operating in the B2B sector of the Food-Raw-Material industry. In more particular we are aiming to connect Suppliers and Manufactures within this global industry, by providing a search engine service and a surplus exchange. So, we aim to compete the industry in a sustainable manner. To follow up we need your support in the sales area.

If you are a student in International Business we would like to welcome you at Leroma. If you are considering yourself collaborative and you have strong organizational skills, we would love to give you the opportunity to be an Intern at Leroma. Doesn't this sound great? — It is!

Your Tasks:

- Assist in business development and introduction of Leroma to different geographies
- Online marketing (email & PR)
- Support in onboarding of new customers and Customer Service
- Translation of customer wishes

We offer:

- A great experience — learn how to do key account management
- Participation in workshops and seminars
- A Pleasant working environment + Free coffee
- Applying an agile working style within a Start-up context

You offer:

- At least 4 Semester of studies
- Social Media Skills
- Fluent in German and English. Other Languages are an advantage

Application procedure:

- The application can be delivered in any form!
- Together with your application we would like to assign you with a Task: Create one short text why sustainable solutions are important for the industry!
